

ADELAIDE MANAGED FUNDS ASSET BACKED YIELD TRUST

ARSN 120 038 002

**FINANCIAL REPORT
FOR THE PERIOD ENDING 19 DECEMBER 2018**

DIRECTORS' REPORT

In accordance with the Corporations Act 2001, the Directors of Adelaide Managed Funds Limited ('AMF') (ABN 81 062 274 533), the Responsible Entity of the Adelaide Managed Funds Asset Backed Yield Trust (the 'Fund') (ARSN 120 038 002), submit their report for the Fund for the period ending 19 December 2018.

The Manager

AMF has acted in the capacity of Responsible Entity of the Fund for the period ending 19 December 2018. Bendigo and Adelaide Bank Limited ('Bendigo and Adelaide Bank') is the Custodian and Service Provider and as such has prepared these accounts.

Directors

The names of the Directors of AMF during the year and until the date of this report (unless stated otherwise) are:

S Treanor
B Speirs
J Dawson (Chairman)

Principal Activities

The principal activity of the Fund during the period ending 19 December 2018 was the investment in notes backed by loans to agricultural managed investment scheme investors. However, these last remaining assets of the Fund were realised during the period and on 19 December 2018, the net proceeds of this realisation (along with all other remaining income and capital of the Fund) were distributed to Unitholders. The wind-up and deregistration of the Fund is therefore expected to be completed following the lodgement of these financial reports with the Australian Securities and Investment Commission ('ASIC').

Fund Information

The Fund is an Australian registered Trust. AMF, the Responsible Entity of the Fund is incorporated and domiciled in Australia.

The registered office of the Responsible Entity is located at The Bendigo Centre, PO Box 480, Bendigo, VIC, 3552.

As at 19 December 2018 the Fund had no employees.

Review of Operations

In September 2010, an Extraordinary General Meeting of Unitholders was held at which Unitholders voted overwhelmingly in favour of the commencement of an orderly wind down of the Fund and ultimately, the deregistration of the Fund. Between 2010 and 2017, periodic returns of capital were paid to Unitholders as the underlying assets of the Fund amortised and/or matured.

In September 2017, AMF notified Unitholders in the Fund that an event of default had occurred under the ABL Portfolio Funding Trust 2007-1 ('MIS Trust') transaction documents and that no further cash flows were likely to be received by the Fund in relation to its last remaining assets, the MIS Trust Class C and D Notes ('Notes').

Subsequent to this notification, AMF engaged with Bendigo and Adelaide Bank ('Bank'), in its capacity as seller of loans to the MIS Trust, to understand whether it might be willing to purchase the Notes from the Fund.

AMF then received an initial offer from the Bank to purchase the Notes ('Initial Bank Offer'). In order to consider whether the Initial Bank Offer was at fair value, the independent Directors of AMF arranged for both a Management assessment and a third party assessment to be conducted as to the likelihood of recovery under the Notes.

The Management assessment considered the likelihood of future cash flows being received in relation to the Notes. This assessment considered scenarios for cash flows out to 10 years and concluded that there would be no expected recovery under the Notes.

The third party assessment was conducted by an independent accounting and consultancy firm. The findings of this assessment were set out in a report which was reviewed by the independent Directors of AMF ('Independent Report') and also concluded that it was unlikely that there would be any recovery under the Notes. Further, it concluded that acceptance of the Initial Bank Offer would likely result in a better return for Unitholders than would relying on recoveries from the MIS Trust.

Review of Operations (Cont)

In September 2018, upon reviewing the available information, including the advice received under the Independent Report, the independent Directors further negotiated with the Bank before receiving an increased and final offer of \$105,000 ('Final Bank Offer'). Given that both Management and the independent third party review consistently concluded that there was likely to be no recovery under the Notes, and having regard to the best interests of the Unitholders, the independent Directors resolved to accept the Final Bank Offer.

The Directors also resolved at this time to commence the formal process to wind up the Fund in accordance with the constitution and advised Unitholders that the termination date of the Fund would be 31 October 2018.

On 19 December 2018, the net proceeds of the sale of the Notes under the Final Bank Offer (along with all other remaining income and capital of the Fund) was distributed to Unitholders. With no further assets held by the Fund, the wind-up and deregistration of the Fund is expected to be completed following the lodgement of these financial reports with ASIC.

Results

The performance of the Fund for the period ending 19 December 2018, as represented by the results of its operations, was as follows:

Total Income:	\$114,274
Finance Costs - Distribution to Unitholders:	\$92,718

Custodian fees paid to Bendigo and Adelaide Bank during the period ending 19 December 2018 were \$125 (30 June 2018: \$532).

Management fees paid to AMF for the period ended 19 December 2018 were \$12,527 (30 June 2018: \$53,315). No other fees were paid to AMF out of the Fund's property during the period.

Units on Issue

The total number of Units issued as at 19 December 2018 was nil (30 June 2018: 94,115,809). All Units were cancelled upon payment of the final income distribution and capital return to Unitholders on 19 December 2018.

Fund Assets

The total value of assets held by the Fund as at 19 December 2018 was nil (30 June 2018: \$1,734,369).

Distributions

Total income distributions for the period to 19 December 2018 were 0.312 cents per Unit (30 June 2018: 0.416 cents per Unit). This amount represented the final income distribution to be paid to Unitholders prior to the completion of the wind-up and deregistration of the Fund.

Total capital returns for the period to 19 December 2018 were 1.174 cents per Unit (30 June 2018: 0.000 cents per Unit). This amount represented the final capital return to be paid to Unitholders prior to the completion of the wind-up and deregistration of the Fund.

From the launch of the Fund on 31 August 2006 to the payment of the final income distribution and capital return on 19 December 2018, income distributions to Unitholders have totalled 76.0 cents per Unit and capital returns have totalled 192.2 cents per Unit. The total capital raised at launch via the first and second instalments payable to Unitholders was 193.1 cents per Unit (net of instalment costs).

Significant Changes in the State of Affairs

The Responsible Entity is proceeding to wind up the Fund. This process has commenced and is expected to be completed upon lodgement of these financial reports with ASIC.

Significant Events after Balance Date

No matters or circumstances have arisen since 19 December 2018, not otherwise dealt with in this report or the financial statements, that has significantly affected or may significantly affect:

- (i) the operation of the Fund in future financial periods, or
- (ii) the results of those operations in future financial periods, or
- (iii) the state of affairs of the Fund in subsequent financial periods.

Likely Developments

The net assets of the Fund have been distributed proportionally to Unitholders. The Responsible Entity is proceeding to wind up the Fund and this is expected to be completed upon the lodgement of this financial report with ASIC.

Environmental Issues

The operations of the Fund are not subject to particular or significant environmental regulations under a Commonwealth, State or Territory Law. There have been no known significant breaches of any other environmental requirements applicable to the Fund.

Insurance and Indemnification for Officers or Auditors**Indemnification**

The Fund has not indemnified or made a relevant agreement for indemnifying against a liability any person who is or has been an officer of the Responsible Entity or an auditor of the Fund. So long as the officers of both the Manager and the Custodian act in accordance with the Constitution/Trust Deed and the Law, both parties remain fully indemnified out of the assets of the Fund against any losses incurred while acting on behalf of the Fund.

Insurance Premiums

During the financial year the Responsible Entity has paid premiums in respect of its Directors and officers for liability and legal expenses on insurance contracts for the period ended 19 December 2018. Such insurance contracts insure against certain liability (subject to specified exclusions) for persons who are or have been Directors of the Responsible Entity or executive officers of the Responsible Entity and this entity.

Details of the nature of the liabilities covered or the amount of the premium paid has not been included as such disclosure is prohibited under the terms of the contracts.

This report has been made in accordance with the resolution of Directors.

Independent Auditor's Report to the Unitholders of Adelaide Managed Funds Asset Backed Yield Trust

Opinion

We have audited the financial report of Adelaide Managed Funds Asset Backed Yield Trust, which comprises the statement of financial position as at 19 December 2018, the statement of comprehensive income, statement of changes in net assets attributable to Unitholders and statement of cash flows for the period then ended, notes to the financial statements, including a summary of significant accounting policies, and the directors declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Trust as at 19 December 2018, and its financial performance and its cash flows for the period then ended in accordance with Australian Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Trust in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 of the financial report, which describes the basis of accounting. It is the directors' intention to wind up the Fund in an orderly manner. As a result, the financial report has been prepared on a liquidation basis. Our opinion is not modified with respect to this matter.

Responsibilities of the Directors for the Financial Report

The directors of the Responsible Entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and for such internal control as the directors determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Trust's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 Corporate Information

The financial report of the Fund for the period ending 19 December 2018 was authorised for issue in accordance with a resolution of the Directors of the Responsible Entity on 25 January 2019.

The Fund is an Australian registered Trust, constituted in August 2006.

AMF, the Responsible Entity of the Fund, is incorporated and domiciled in Australia. The registered office of the Responsible Entity is located at The Bendigo Centre, PO Box 480, Bendigo, VIC, 3552.

NOTE 2 Summary of Significant Accounting Policies

(a) Basis of Accounting

This general purpose financial report for the period ending 19 December 2018 has been prepared in accordance with the requirements of the Corporations Act 2001 which includes applicable Accounting Standards. Other mandatory professional reporting requirements have also been complied with.

The financial statements for the period ending 19 December 2018 have been prepared on a liquidation basis.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current.

The financial report is presented in Australian dollars.

(b) Application of Accounting Standards

The financial report complies with Australian Accounting Standards and International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board.

Australian Accounting Standards and Interpretations that recently have been issued or amended but are not yet effective and have not been adopted for the reporting period ended 19 December 2018 are AASB 9 ('Financial Instruments') and AASB 15 ('revenue from Contracts with Customers').

Neither will have any impact on the Fund.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 Summary of Significant Accounting Policies (Cont)

(b) Application of Accounting Standards (Cont)

All other standards, amendments and interpretations that have been issued up to the date of signing, but are not yet effective, are not relevant to the entity and will have no impact on the results, financial position or disclosures by the entity.

(c) Significant Accounting Judgements, Estimates and Assumptions

Significant Accounting Judgements

In the process of applying the Fund's accounting policies, management has made judgements, apart from those involving estimations, which have an impact on the amounts recognised in the financial statements. No judgements have been determined to be individually significant.

Significant Accounting Estimates and Assumptions

The carrying amounts of certain assets and liabilities are often determined based on estimates and assumptions of future events. The key estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of certain assets and liabilities within the next annual reporting period are:

Impairment of Assets

The Fund determines whether its assets are impaired at least annually. This requires an estimation of The Fund's policy on impairment is disclosed in Note 2(g).

NOTES TO THE FINANCIAL STATEMENTS (CONT)**NOTE 2 Summary of Significant Accounting Policies (Cont)****(d) Cash and Cash Equivalents**

Cash and cash equivalents in the Statement of Financial Position and for the purpose of the Statement of Cash Flows includes cash at bank, bank deposits held at call and short term investments with an original maturity of three months or less.

(e) Trade and Other Receivables

Receivables are amounts where settlement has not yet occurred. Receivables are carried at original amounts less any provision for uncollectible amounts. Interest is accrued at the reporting date from the last payment. Amounts are generally received within 30 days of being recorded as receivables. Due to the short term nature of these receivables, their carrying value is assumed to approximate their fair value.

(f) Investments

Investments are classified as loans and receivables. It is the Fund's intention to hold these investments to maturity.

Loans and Receivables

Loans and receivables have fixed or determinable payments that are not quoted in an active market. Such assets are carried at amortised cost using the effective yield method. Gains and losses are recognised in the Statement of Comprehensive Income when the loans and receivables are derecognised or impaired, as well as through the amortisation process. These assets are derecognised when the rights to receive cash flows have expired or the Fund has transferred substantially all the risks and rewards of ownership.

(g) Impairment of Assets

Loan and investment assets are regularly reviewed to assess whether there is objective evidence that the loan asset or group of assets is impaired. If there is objective evidence that an impairment loss on the investments carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the asset's original effective interest rate (i.e. the effective interest rate computed at initial recognition). The carrying amount of the asset shall be reduced either directly or through use of a provision account.

The amount of the loss shall be recognised in the Statement of Comprehensive Income.

A specific provision is made for all identified impaired loans and investments, and is recognised when there is reasonable doubt over the collectability of the principal balance and the interest in accordance with the respective loan agreement. All bad debts are written off against the specific provision in the period in which they are classified as irrecoverable.

If it is determined that no objective evidence of impairment exists for an individually assessed asset, whether significant or not, the asset is included in a group of assets according to their credit risk characteristics and that group of assets is collectively assessed for impairment. Assets that are individually assessed for impairment and for which an impairment loss is or continues to be recognised are not included in a collective assessment of impairment. Based on historical loss data and current available information for assets with similar risk characteristics, the appropriate collective provision is raised. Adjustments to the collective provisions are recognised as an expense in the Statement of Comprehensive Income. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed. Any subsequent reversal of an impairment loss is recognised in the Statement of Comprehensive Income, to the extent that the carrying value of the assets does not exceed its amortised cost at the reversal date.

NOTES TO THE FINANCIAL STATEMENTS (CONT)

NOTE 2 Summary of Significant Accounting Policies (Cont)

- (h) Trade and Other Payables
Payables are recognised for amounts to be paid in the future for goods and services received, whether or not billed to the Fund, and include outstanding settlements on the purchase of investments and Manager/Responsible Entity fees payable. The carrying period is dictated by market conditions and is generally less than 30 days. Payables are measured at amortised cost.
- (i) Interest Bearing Liabilities
All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing. After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any issue costs, and any discount or premium on settlement. Gains and losses are recognised in the income statement when the liabilities are derecognised and through the amortisation process. Interest when charged by the lender is recognised as an expense on an accrual basis.
- (j) Revenue
Interest income is recognised to the extent that it is probable the economic benefits will flow to the Fund and the income can be reliably measured. Interest income is recognised as the interest accrues using the effective interest rate method, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument to the net carrying amount of the financial asset.
- (k) Distributable Income
Distributable Income will be a minimum of the Fund's taxable income for the relevant distribution period. However, if adjusted accounting income is greater than the Fund's taxable income, the Responsible Entity may distribute up to the amount of the adjusted accounting income.
- (l) Distribution of Income
Income, if any, is distributed to Unitholders on an annual basis.
- (m) Income Tax
Under current Income Tax Legislation, the Fund is not liable to pay income tax provided the Unitholders are presently entitled to the income of the Fund and the Fund fully distributes its taxable income.
- (n) Goods & Services Tax (GST)
Expenses incurred by the Fund are recognised net of the amount of GST that can be recovered from the Australian Taxation Office (ATO).
Amounts recognised as receivables and payables at balance date are inclusive of GST. Reduced input tax credits (RITC) recoverable by the Fund from the ATO are recognised as receivables in the Statement of Financial Position.
- (o) Terms and Conditions of Units on Issue
Each Unit confers upon the Unitholder an equal interest in the Fund and is of equal value. A Unit does not confer an interest in any particular asset or investment of the Fund. Unitholders have various rights under the Constitution and the Corporations Act 2001, including the right to:
- have their Units redeemed;
 - receive income distributions;
 - attend and vote at meetings of Unitholders; and
 - participate in the termination and winding up of the Fund.
- Unitholders funds are classified as financial liabilities.

NOTES TO THE FINANCIAL STATEMENTS (CONT)

- (p) Net Assets Attributable to Unitholders
Net assets attributable to Unitholders are represented by the residual interest in the assets of the Fund after deducting its liabilities. It is represented by Units to be issued and undistributed income attributable to Unitholders (otherwise termed as changes in net assets attributable to Unitholders). Costs directly attributable to the issue of Units are shown in net assets attributable to Unitholders as a deduction from the proceeds of issuance.
- (q) Derecognising of Assets and Liabilities
The derecognition of a financial instrument takes place when the Fund no longer controls the contractual rights that comprise the financial instrument, which is normally the case when the instrument is sold, or all the cash flows attributable to the instrument are passed through to an independent third party.

NOTE 9 Segment Information

The Fund operates in one business segment, being investment management. The Fund also operates from one geographic location, being Australia, from where its investing activities are managed. Revenue is derived from interest on investments.

NOTE 10 Financial Instruments

The Fund's principal financial instruments comprise cash and investments. The main purpose of these financial instruments is to generate a return on Unitholders funds. The Fund has various other financial instruments such as trade receivables and trade payables, which arise directly from its operations.

The Fund does not enter into or trade financial instruments for speculative purposes.

The main risks arising from the Fund's financial instruments are interest rate risk, liquidity and cash flow risk, credit risk and market risk. The Responsible Entity reviews and agrees policies for managing these risks. The objectives, policies and process for managing these risks (prior to 19 December 2018) is disclosed below.

(a) Net Fair Values

The Fund's Trade and Other Receivables assets are valued in accordance with note 2(e).

It is the Fund's intention to hold investments to maturity and recover the carrying value through future cash flows received. Under AASB 7 however, the Fund is required to place fair value on the loan and receivable investments. For the purposes of the fair value disclosure requirements under AASB 7, the calculation assumes that the Fund is required to liquidate its entire portfolio of investments immediately under current market conditions.

Some of the Fund's investments are illiquid. As a result, the Fund's ability to vary its portfolio in a timely fashion, to dispose of any or all assets or to receive a fair price for assets in response to changes in economic and other conditions may be limited. Furthermore, as the Fund acquires investments for which there is not a readily available market, the Fund's ability to obtain reliable information about the value of such investments may be limited.

NOTES TO THE FINANCIAL STATEMENTS (CONT)**NOTE 10 Financial Instruments (Cont)**

Given the nature of estimations involved, the actual realised value for the portfolio in the event that it was liquidated may be higher or lower than the fair value disclosed. Management's estimate of the fair value of the Fund's investments as at 19 December 2018 as compared to 30 June 2018 is as follows:

	Dec-18		Jun-18	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Total Portfolio	-	-	-	-

Any difference noted between the carrying value and estimated fair value does not necessarily indicate impairment with regard to the loan and receivable investments. Any carrying value of these investments may be recovered over the term to maturity through future cash flows as noted above.

In accordance with AASB 13, the Fund's investments for which fair value is estimated above are categorised within the fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole, being:

Level 3 – Valuation techniques (for which the lowest level input that is significant to the fair value measurement is unobservable)

As mentioned above, the Fund's ability to dispose of any or all assets or to receive a fair price for those assets in response to changes in economic and other conditions may be limited. Furthermore, as there is not a readily available market for the Fund's assets, the Fund's ability to obtain reliable information about the value of such investments is limited. This is reflected in the fair value estimation.

(b) Interest Rate Risk Exposures

Interest rates are managed on the basis that all of the Fund's investments earn a floating rate of return. Accordingly, distributions to Unitholders and the annualised distribution yield for the period from allotment to 19 December 2018 have moved up or down in line with changes in interest rates.

NOTES TO THE FINANCIAL STATEMENTS (CONT)**NOTE 10 Financial Instruments (Cont)****(c) Liquidity and Cash Flow Risk**

Some of the Fund's investments are illiquid. As a result of this illiquidity, the Fund's ability to vary its portfolio in a timely fashion, to dispose of underperforming assets or to receive a fair price for assets in response to changes in economic and other conditions may be limited. Furthermore, as the Fund acquires investments for which there is not a readily available market, the Fund's ability to obtain reliable information about the value of such investments may be limited. The Fund manages its liquidity ratio on a monthly basis.

Distribution Payable to Unitholders	-	-	-	-	391,809	-	-	-
Total	-	-	-	-	429,333	-	-	-

Unitholders funds are classified as financial liabilities and are not required to be redeemed by the Fund until 2086.

(d) Credit Risk Exposures

Credit risk is one of the major risks faced by the Fund and may be broken down into two main categories:

- The risk that issuers of assets in which the Fund has invested (usually special purpose securitisation vehicles), are unable to make the interest payments or principal repayments when due; and
- The risk that the credit quality of the receivables in the underlying portfolio of assets held by the Fund deteriorates.

Obligations of issuers include the payment of scheduled interest and the repayment of the loans at maturity. Failure by an issuer to make these payments may lead to a reduction in yield and a loss of capital for Noteholders. A decline in the credit quality of an investment held by the Fund could occur even though the issuer is meeting its obligations. This could occur in the event that the borrowers in the underlying portfolio of receivables begin to default or if market movements cause the value of security held as a proportion of the debt (loan to valuation ratio) to increase, making it more likely that borrowers will default. A decline in the credit quality of an investment held by the Fund could ultimately result in the issuer failing to meet its obligations or a loss of capital if the asset is sold prior to its maturity at a discount to its redemption rate. The investment assets of the Fund are located in Australia. As at 19 December 2018 the underlying investments of the Fund are backed by agricultural managed investment schemes. Refer to Note 6 to review the concentration risk of the investment portfolio.

(e) Market Risk Exposures

Whilst the Fund does monitor the concentration of its portfolio and its exposure to asset classes, borrowers and issuers, being in the latter stages of an orderly wind down, the Fund is not diversified and has exposure solely to cash and agricultural managed investment schemes.

DIRECTORS' DECLARATION

In accordance with a resolution of the Directors of AMF, I state that:

In the opinion of the Directors of AMF:

- (a) the financial statements and notes of the Fund are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Fund's financial position as at 19 December 2018 and of its performance for the period ended on that date; and
 - (ii) complying with Accounting Standards and the Corporations Regulations 2001;
- (b) the financial statements and notes also comply with International Financial Reporting Standards as disclosed in Note 2;
- (c) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable (though as at 19 December 2018 the Fund has no assets and no liabilities as wind-up and deregistration of the Fund is expected to be completed imminently); and
- (d) this declaration has been made after receiving the declarations required to be made to the Directors in accordance with section 295A of the Corporations Act 2001 for the period ending 19 December 2018.

On behalf of the Board of Directors:

Jenny Dawson
